DOG SLED RACES  
AND WINTER  
FESTIVAL**

**\$10,000 Prize Money,  
70+ Competitors,  
6000+ Spectators  
for 2010**

The **Cannington Dog Sled Races and Winter Festival** has become one of the region's premier winter events. Last years media coverage included the *Toronto Star*, CTV, A-Channel, Rogers, Kixs FM, and BOB FM to name a few.

Spectators thrill to the howls and energy of the huskies as they line up at the starting chute to do what they live for ... to run! You will be convinced that they know how to count as they listen to the starter ... 3 ... 2 ... 1 ... and then at the word "mush", the dogs go completely silent as they bear down on their harnesses.

Just a day at the office for the dogs, but combined with the snow shoeing, ice sculpturing contest, pony rides, petting zoo, the live entertainment on stage, métis village and a host of kid's activities, the Cannington Dog Sled Races and Winter Festival makes a very exciting family day for over 6,000 enthusiastic consumers.

This year we invite you to participate in our Vendor Market Place. Last year's expanded Market was brisk with traffic and sales. Returning vendors will be given first right of refusal, the rest of the booths will be rented on a first come, first serve basis.

***Don't miss out on what used to be the off season!***
